

Dear Automobile enthusiast and friend,

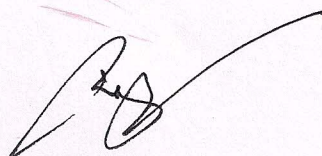

I trust all is well your side. I would like to invite you to join hands with us and stand up for a cause. The Harmony International Music Foundation was set up to benefit underprivileged children in need. Through the years, the foundation has organized concerts and events through which aid and awareness has been raised for different organizations concerned with rehabilitating and taking care of such children. This December "Cadence 2012", a Christmas music concert is being held to raise funds and awareness for "Swanthana" (swanthanacare.org), a home for orphaned or abandoned girl children who are mentally and/or physically challenged.

This concert is going to be a retro themed 60's concert. So in keeping with the theme, we are planning to organize a display of vintage cars as a means of raising awareness. We would like to invite you to join us with your vintage/classic car on the 2<sup>nd</sup> of Dec-2012, 10 am at the Forum Mall, Koramangala. The Mall management has kindly consented to us parking our classics up front at their premises.

You are also welcome to bring in your car to the concert on the 9<sup>th</sup> of December - 4.30 pm, at the Jyoti Nivas College Auditorium, Koramangala, as we are also planning to have a display there as well.

Let us do something together to bring back a smile and encourage someone less privileged through our passion and hobby as automobile enthusiasts.

Warm Regards,

Ryan Oberoi
